

SAIE 2011

INTERNATIONAL BUILDING EXHIBITION

Bologna, 5-8 October

SAIE SELECTION 2011

INNOVATING, INTEGRATING, BUILDING HIGHLY INNOVATIVE AND SUSTAINABLE BUILDINGS

BolognaFiere, with the support of Archi-Europe, is launching the third edition of SAIESelection, an international competition open to young designers working on the theme of **Sustainability** with innovative solutions, materials and technologies.

LOOKING FOR YOUNG TALENTS THE FUTURE OF ARCHITECTURE

The selected projects will be presented at SAIE International Building Exhibition from **5 to 8 October 2011** as part of a dedicated exhibition and conference devoted to **The Next Generation of Architects**. The SAIESelection 2011 regulations are published on Archi-Europe website www.archi-europe.com

Send your ideas&projects for sustainable buildings, you will be part of the **Forum on Next Generation of Architects at SAIE2011**.
